EL LOBO

1955-56

Published Annually by the Students of

BASIC HIGH SCHOOL

Henderson, Nevada

our theme is

"MOMENTS TO REMEMBER"

printed by
Art City Publishing Co., Springville, Utah

Foreword

We, the staff, have chosen "Moments to Remember" for the theme of our 1956 El Lobo. We chose this theme because of its aptness and workability, but mainly because we felt a theme of this nature would mean the most to us as we grow older.

This year we have made several major changes in the El Lobo. We sincerely hope that you find these changes to your liking and consider them for the better.

We, the seniors, are leaving the hallowed halls of Basic, but we will have these moments to remember.

— THE EDITOR

Dedication

The 1956 edition of *El Lobo* is proudly dedicated to Mr. Lyal Burkholder, our superintendent.

His faith in us and his never-ending efforts to aid our progress have made him more a friend than supervisor.

The Board of Trustees has brought about the realization of many fine things. Their efforts made our new school possible. Despite the handicap of a limited budget they managed to equip our arts and crafts department which has done much to make this a more enjoyable school year for many of us.

Principal's Message

Our wish for the class of '56 is that each one of you may achieve the highest goal in life of which you are individually capable. In setting up this goal, we hope that you will be realistic and choose one that is within the possible limits of abilities which you either now possess or can obtain. But, on the other hand, do not be too timid in choosing your objective, because most of you have a greater capacity for success than you realize.

In striving toward your goal, may we also hope that you will maintain attitudes of tolerance, cooperativeness and loyalty; in so doing you will insure your own happiness and at the same time you will promote the general social welfare of those institutions with which you will be associated.

The Student Council is our voice in the running of our school. This year in addition to setting up new standards for our ever-growing student body, they originated a new award, the silver "B" for the best all-around student.

It is to Student Council that we owe our thanks for this year's beautiful Homecoming festivities and for our annual Sadie Hawkins Day which was crazier than ever.

Classics

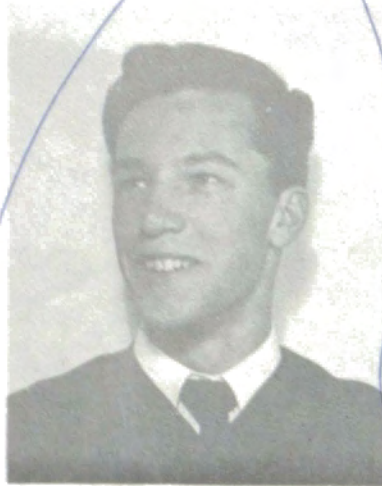

Senior Class

Seniors at graduation time can't help looking back and reminiscing over the memories of the Class of '56 — wonderful memories of unforgettable years. Our first day at Basic as "mere" freshmen . . . our first class assembly . . . "B" Day . . . the thrill of winning Tri-State in football and CIF in baseball . . . the hilarious comedy of our play . . . the beautiful Junior Prom . . . Sadie Hawkins Day . . . all the crazy parties . . . our version of Hamlet . . . Homecoming and the lighted "B" our senior year . . . Senior Ditch Day . . . the lonely feeling we got when we sang the school song for the last time in a pep assembly . . . baccalaureate . . . and finally the joys and underlying sorrows of graduation.

Sophomores

Last year's memories . . . the painting of the "B" . . . Then came their turn at being sophomores . . . But even their beautiful reverse with the theme of "Rhapsody in Blue" . . . and their assembly, seem to fade into the background as the thrill of being 'upperclassmen' . . . the expectations that enter their minds seem to shadow the fact that they are no longer 'underclassmen'. After all, they will be JUNIORS now!

Most Valuable Player

David Anderson was the most valuable player on our '55-'56 football team. His teammates and coaches knew they could rely on his always being where he was most needed. To David the team always came first and he did anything in his power to further that team. These qualities plus his always outstanding sportsmanship are what won him this coveted award.

Senior Class Play

The seniors this year presented a dramatic play, "The Night of January 16th." Their efforts were rewarded by the high praise and compliments paid them by everyone who saw the exciting murder trial. Rehearsals bring back such memories as water balloon fights, picnics, and studying for college entrance exams. This last dramatic endeavor of the seniors at Basic will long be remembered by everyone.

Juniors this year presented a hilarious comedy, entitled "The Whole Town's Talking" — This was the first theatrical attempt of the class of '57, and really proved that several of the cast are true Thespians. Larry Coleman developed a French accent during rehearsals, and Pat K. picked up the nickname "Miss Hollywood".

Donna Hill started to call Tommy Woods "daddy"; Benny Guthrie became famous for his talents as a comedian. Everyone that helped with the presentation enjoyed a congratulatory dinner on the strip after the play.
